It was terrific! No complaints, except Div St Grill, and he complains everyone is too loud 🤔

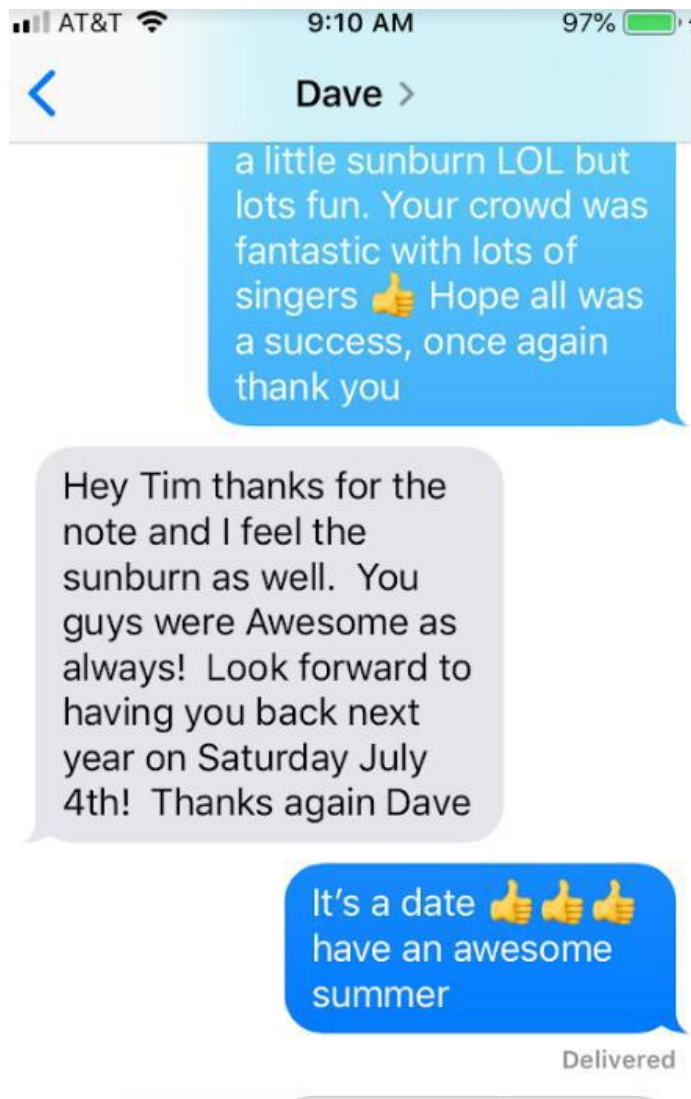

Thanks LOL I think one person on Facebook didn't like but you can't please everyone but we got a lot people asking were we are next so we were happy with that. But if your interested we would love to come back next year as we play in Peekskill all.the time. Once again thanks and have a super successful summer

Thank you Tim. We thought it all went well and was a success. The audience seemed to like the show although we don't have a lot of dancers in the crowd.

Thanks again,

Judi

I wanted to write and say my Date and I really enjoyed you guys playing last night in Peekskill. You all have a lot of enthusiasm and when you have fun, it radiates to the crowd. The leopard suit and stand up Bass were cool too!

Thanks for playing. It was great
